Objet: Protocole de fartage aux épreuves de
sélection d'équipe des mondiaux
juniors/benjamins 2012

Biathlon Canada will be enforcing a "same wax" policy for the upcoming Junior/Youth trials. All Canadian competitors wishing to be eligible for selection must follow this protocol.

1. At the team captain's meeting before the race 1 coach for every 5 selection-race athletes will be drawn by the management committee. These selected coaches will be collectively responsible for waxing skis on behalf of the entire field of selection-eligible athletes.
2. Before 4pm on the day before the each race athletes may drop off one pair of skis to a designated waxing room. An official of Biathlon Canada will mark skis as they arrive and maintain security in the wax room.
3. Waxed skis will be delivered to the starting area at the equipment check. These skis will not be allowed out of the starting area.
4. Skis will be checked in the start area for markings.

The implementation of this protocol is to minimize the influence of factors that are provided once athletes are selected to the National Team tours.

Biathlon Canada fera respecter un protocole de "fart uniforme" aux épreuves d'équipe benjamins/junior de cette année. Tous les compétiteurs canadiens voulant être sélectionnés doivent se conformer à ce protocole.

1. Lors de la réunion de chefs d'équipe précédant l'épreuve, le comité de gestion tirera le nom de 1 entraîneur pour tous les 5 athlètes d'épreuve de sélection. Les entraîneurs ainsi sélectionnés seront collectivement responsables du fartage des skis de tout le groupe d'athlètes admissibles à la sélection.
2. Avant 16h le jour avant le chaque compétition, les athlètes apporteront une paire de skis à une salle de fartage désignée. Un officiel de Biathlon Canada marquera les skis au fur et à mesure qu'ils sont déposés et se chargera de contrôler la sécurité de la salle de fartage.
3. Les skis fartsés seront transportés à l'aire de départ, dans la zone de contrôle d'équipement. Il sera interdit d'enlever ces skis de l'aire de départ.
4. Le marquage des skis sera contrôlé dans l'aire de départ.

La mise en œuvre de ce protocole servira à réduire au minimum l'influence de facteurs en place une fois les athlètes nommés aux sélections d'équipe nationale

With kind regards, très cordialement
